

2014 LE CIGARE BLANC

RHÔNE-STYLE WHITE BLEND
CENTRAL COAST

Crisp and clean aromas of chalk and lime pith meet with riper touches of honeydew and Anjou pear on the nose of this blend of 66% Grenache Blanc and 34% Roussanne, which hints at a biting acidity on the sip. The freshness extends to the palate, where riper guava tones are deftly cut by citrus peels and finished with a minty lift. The structure is tense and ideal, while the acidity is available but not overwhelming.
