## Dessert Wine

**2006 Bonny Doon Vineyard California Le Vol des Anges** (\$30/375ml) Just because Randall Grahm could, he made a late-harvest botrytised Roussanne from the Beeswax Vineyard in Arroyo Seco. The result is puzzlingly revelatory. The buttery, fat notes from low-acid Roussanne mix with the honeyed concentration of noble rot, with flavors of watermelon skin, pumpkin seed and dried pineapple in the balance. That acid offsets a dense weight, and makes it hard to resist.
