

~~BONNY DOON  
VINEYARD~~

It has been so bloody  
difficult to find A  
Proper Claret. Until  
now, that is.

This primarily cabernet blend  
is lean, neither overly alcoholic,  
nor overly extracted.

Please note well that this wine is in no way  
masterminded by those long-  
haired whippersnappers at  
Bonny Doon Vineyard.
