

Based in Santa Cruz, heartland of New Age thinking, Bonny Doon Vineyard has a not-so surprising history of idealism and innovation. The first winery to utilize the screwcap closure on high-end wines, and an early proponent of biodynamic farming practices, Bonny Doon Vineyard has been an advocate for sustainable practices in the winemaking world. By eliminating the resource intensive bottling process, these wines in keg continue the legacy of Bonny Doon Vineyard's commitment to sustainability.

2017 PICPOUL

Picpoul or “lip-stinger” is known for its tingling acidity, but coupled with its singular savoriness, it creates a dramatic sensation on the palate. We know it's impossible to smell the sensation of saltiness, but the nose of our Picpoul is maritime, coupled with a discreet suggestion of peaches, wildflowers and the ubiquitous fragrance of beeswax.

VARIETAL BREAKDOWN: 100% Picpoul

VINEYARD: Beeswax

2017 VIN GRIS DE CIGARE

Our gris de Cigare is deliciously bright true vin gris (minimal skin contact) of filigreed fruit—bergamot, wild strawberry and maybe even a delicate trace of wintergreen. On the palate, sleek, salty, savory, mouth-watering aspect and a refreshing acidity. A wonderful persistent finish, extremely food-friendly.

VARIETAL BREAKDOWN: 57% Grenache, 18% Grenache Blanc, 9% Mourvèdre, 6% Roussanne, 5% Carignane, 5% Cinsault

VINEYARDS: Alta Loma, Beeswax, Bokisch Ranch, JD Farming, San Miguel, Cass, Gonsalves, Scheid, Wentz, Rancho Solo, Ventana

2015 “A PROPER CLARET”

Lean, neither overly alcoholic, nor overly extracted. Silky notes of violets and textural elegance, in precision counterpoint to lead-in-the-pencil firmness. In the nose, a lovely suggestion of cedar and mint. The '15 version is a bit plusher and posher, with softer tannins.

VARIETAL BREAKDOWN: 40% Merlot, 24% Petit Verdot, 21% Cabernet Sauvignon, 11% Cabernet Franc, 4% Malbec

2017 CLOS DE GILROY

A somewhat more elegant Clos de Gilroy than one has typically seen in years past, this wine has the elegance of a Proustian *madeleine*. This wine is exceptionally spicy, peppery and perfumed, and pairs exceptionally well with a range of dishes. Best served with a slight chill.

VARIETAL BREAKDOWN: 88% Grenache, 12% Mourvèdre

VINEYARDS: Rancho Solo, Alta Loma, Ventana, Del Barba

ABOUT OUR KEGS

We utilize 19.5L stainless kegs from Free Flow Wines for all of our wines on tap. Equipped with standard fittings, they easily plug into most existing systems.

Tap handles are also available upon request. Each handle comes with pre-supplied label cards that can be easily changed in and out as offerings rotate.
