

People might look at you
Sideways, but you'll want to
drink this \$%&*#! Merlot.

Medium ruby color, with a lovely dusty
aroma of *fraises de bois*, licorice and
gingerbread, with the subtlest
suggestion of *garrigue de Provence*.
The aromatics continue to build as the
wine evolves in the glass. Seemingly
light on the palate when first opened,
the wine builds in amplitude in the glass
with more air. This \$%&*#!
Merlot has wonderful
natural acidity (go figure!),
medium tannins
and great
persistence.
